

The Story of Lydia is a complete resource designed to Inspire, Educate, and Enjoy.

This Award Wining production comes with prepared lesson plans covering Writing, Social Studies, Visual Arts, Drama, Religious Studies, Character Building and more.

The Story of Lydia makes learning fun and rewarding.

This Award Winning production was inspired by the true life story of Lydia Christensen Prince. Because the message of the story is so important, the producers spent a great deal of time working with active teachers, councilors, clergy, parents and youth to develop its content. We are confident that the resulting resource will be of great benefit to children and young adults all over the world. The Tutorial and the prepared lesson plans can be utilized in all school curriculums from preschool up to and including the Senior Level. **The resource is an excellent tool for Character Building.** In addition to the broad educational aspects covering Writing, Social Studies, Visual Arts and Drama, two Key topics found in the story and put into lesson plans are **The Virtues** and **The Beatitudes**. We are certain this resource will go a long way to instilling wonderful traits and qualities in young people and help them grow up to become model citizens.

The resource includes the following elements:

- **A DigiPack** containing the Award Winning film on DVD, A 52 pages story book with brilliant illustrations in full color and a read Along CD Priced at \$28.99
- **A comprehensive Tutorial** for covering the Primary, Junior, Intermediate and Senior Level priced at \$49.99
- **A Song Book** priced at \$28.99
